ANDIRA AZZAHRA

085156861943 | andiraazzahra19@gmail.com | LinkedIn

Koja, Jakarta Utara

A computer science student who is trying to keep learning to keep up with technological developments and trends

Education

Jakarta State University - Jakarta, Indonesia Sep 2019 -
Bachelor Degree in Computer Science, 3.60/4.00

- Organization : Staff of Computer Science Academic and Sport of BEMP Computer Science
- Organization : Website Development Mentor of Default Computer Science State University of Jakarta

Professional Experience

UI/UX Designer Mar 2020 - Present

- https://dribbble.com/dirazzhr
- I often make ui/ux designs for apps and web and most of the designs I make are college assignments. I really like studying and working as a ui/ux designer, because I like to put myself as a user. My favorite tool is Figma because there are many plugins that make it easier for me to work and make my designs interesting

Micro-Credential Certification for Associate Data Scientist Oct 2021 - Dec 2021
2021 - Jakarta, Indonesia
Trainee

- Micro class facilitated by the Ministry of Research, Technology and Higher Education Indonesia that focuses on learning data science to build data science skills that are currently in high demand in the industry. This class is divided into several universities that host data science learning. With lecturers from the host university, and I was included in the data science class presented by the Gunadarma University

JOINTSCAMP UGM Mar 2021 - Apr 2021
Trainee Front End Web Programming

- Joint Camp is an annual camp held by the UGM Computer Student Association, this camp can only be attended by 15 people who are selected strictly through CV screening and math tests. This camp was attended by well-known mentors such as Sandhika Galih and Yein Narayana
